Case No VLS010229

22/04/2025 This case was accepted by VLS

06/06/2025 The case concerned the claim against the Stellantis FPW9.5535/03 specification for which it was alleged that no additive technology existed to support the claim on the open market.

The Lubricant Marketer provided robust technical evidence justifying the performance claim.

VLS reviewed the information provided and found there was no case to answer and the claim was fully justified.

Consequently VLS closed the investigation and the case.
